### Belwin by the Numbers

#### 150,000 Visits

From athletes and spectators for sporting events at Lucy Winton Bell Athletic Fields.

#### 11,133 Learners

Including schoolkids and chaperones, participated in Belwin Outdoor Science, our 48-year partnership with Saint Paul Public Schools.

#### 123 Baby Birds

Our bluebird trail fledged 55 bluebirds, 30 chickadees and 38 tree sparrows. *More bird survey info will be available online in summer 2019.*

#### 7,500 Explorers

Used Belwin's trails in 2018. Our public lands are open for hiking 365 days a year!

#### 416 Stargazers

Attended events at Joseph J. Casby Observatory via our partnership with the Minnesota Astronomical Society.

#### 27.4 MWh of Electricity

Produced by the solar array at Lucy Winton Bell Athletic Fields – enough to power one home for almost three years!

#### 1,630 Enthusiasts

Attended guided hikes, celebrations, lectures, and other Belwin events.

Bird by Javier Sánchez - javyliu from the Noun Project

### THANK YOU!

Because of our generous supporters, Belwin Conservancy had a budget surplus of \$37,422 in 2018. This allowed us to begin replacing a fleet of aging machinery that is critical to maintaining our 1,400 acres. We will continue fundraising for machines in 2019.
